New drop-off location
11200 Deadoak Lane

Here's what you need to do:

- Deliver two (2) dozen* filled plastic eggs per child to 11200 Deadoak Lane (corner of Deadoak and Carlwood) on or before Noon April 16th.

There will be a large bin on the front porch for drop off.

* We request you donate more eggs this year as children often pickup more than their allotted 1 dozen and often we have very upset children. Thanks for helping and sharing.

- **Come to the school at 3:00 pm** to have your bunny face painted, enjoy snacks, visit and take pictures before the hunt. Don't forget your basket!
- **The egg hunt begins at 3:30 p.m. sharp.**
Each child hunts for at least 1 dozen eggs and shares with others if they pickup more.
